

COLLAB CAPITAL

2022 Notable Impact Highlights

Overview

Collab Capital was founded by three experienced founders, operators, and investors who collectively decided to solve the problem of capital access for Black entrepreneurs. At Collab, our perspective is that by investing in great Black founders and helping them grow and scale their businesses, we have a unique opportunity to set the foundation for wealth creation in Black communities.

The information contained herein is being provided to you for informational purposes only and is not, and may not be relied on in any manner as, legal, tax, or investment advice or as an offer to sell or a solicitation of an offer to buy any security. Private investments are illiquid and are not subject to ongoing daily valuation. Accordingly, the actual realized returns on unrealized investments may differ materially from the statements on impact stated herein. Nothing contained in the document may be relied upon as a guarantee, promise, assurance or representation as to the future. There can be no assurance that any investment will be able to realize investments in a timely manner. Investments in impact-focused securities are speculative and involve significant risks, including the risk of loss of the entire investment. Such investment is only suitable for sophisticated investors and requires the financial ability and willingness to accept the high risks and the lack of liquidity inherent in such investment. Prospective investors must be prepared to bear such risks for an indefinite period of time. Past performance is not indicative of future performance.
