

KOMAZA GROUP INC.

2022 Notable Impact Highlights

Overview

Komaza is a smallholder forestry business founded in Kilifi County in Coastal Kenya with the goal of alleviating rural poverty. It offers a win-win partnership where farmers and Komaza exchange what each has in order to share profits from trees grown together. Under the partnership, farmers grant Komaza the use of their unused land and provide labor to plant and take care of trees. Komaza provides seedlings, training, tree management, and harvest support to farmers for free.

Workforce

Primary Stakeholders

Smallholder farmers in Coastal and Central Kenya who partner with Komaza to plant trees.

Impact Metrics

- 100% low-moderate income partner farmers.
- Reached 25,685 partner farmers last year.
- Total farmer income (cumulative): KES 44,315,547

Ownership Structure

63.70% investor-owned, 28.77% founder-owned, 1.20% individual-owned, 6.33% employee-owned (ESOP).

Environmental Impact

*BIPOC = Black, Indigenous, People of Color. **GNC = Gender Nonconforming

The information contained herein is being provided to you for informational purposes only and is not, and may not be relied on in any manner as, legal, tax, or investment advice or as an offer to sell or a solicitation of an offer to buy any security. Private investments are illiquid and are not subject to ongoing daily valuation. Accordingly, the actual realized returns on unrealized investments may differ materially from the statements on impact stated herein. Nothing contained in the document may be relied upon as a guarantee, promise, assurance or representation as to the future. There can be no assurance that any investment will be able to realize investments in a timely manner. Investments in impact-focused securities are speculative and involve significant risks, including the risk of loss of the entire investment. Such investment is only suitable for sophisticated investors and requires the financial ability and willingness to accept the high risks and the lack of liquidity inherent in such investment. Prospective investors must be prepared to bear such risks for an indefinite period of time. Past performance is not indicative of future performance.
